

Frankie's Safety Tips & Baking Tools

Be Safe, Be Clean

Ask a grown-up for permission to use the kitchen before you start.

Make sure a grown-up is there to help with the stove or oven and any knives or other sharp objects.

Wash your hands before working with food.

Wear an apron to keep your clothes from getting dirty.

Use oven mitts when handling hot items and keep your distance from the hot oven and stove.

Hold sharp objects away from yourself and others.
